

Things Kindergartens Can Do On A Snow Day!

Here is a brief list of activities that kindergarten students can do on days when school is cancelled due to the weather. I'm sure you can think of even more!

- Read lots of books.
- Go outside and play.
- Count how many snowflakes can you catch on your mittens and look at the different shapes.
- Build a snowman.
- Practice printing their first and last name.
- Review letter names and letter sounds.
- Watch a favourite television program and talk about it with a grown up.
- Visit the websites listed on the kindergarten home page.
- Draw a picture of what they did during the day and bring it to school to share with the class.

Have Fun!
-J. Smith
